All:

We had tentatively set July 31st as a follow up call among consultants. Levy representatives have reached out to Ric Davis and indicated that they would be preparing a comprehensive response to the consultant comments received so far. Ric requested, and Levy agreed, to pause any work by other consultants until Levy has provided these updates. They have also requested an agreement with some additional details on retaining consultants and use of the escrow account. Ric has determined that it makes sense to pause the entire process until we receive Levy's information and he will make an announcement at the next Board meeting to that effect.

Please feel free to give me a call if you want to discuss.

Thanks,

Greg
