Subject: Return to work notification

Board Members, Township Staff and Residents,

I wanted to take a moment to provide an update regarding my leave and where things stand today.

Over the past few weeks, I have had time to step away and work through the issues that led me to take leave, both personal and health related. Some of those matters are now under control, and I am focused on putting myself in the best position possible to return and effectively carry out the responsibilities of Township Supervisor.

My planned return to work date is July 16, 2026

This has been one of the most difficult periods of my professional life. Stepping away from a position and a community that I care deeply about was not easy.

Respectfully,

Ric Davis
Township Supervisor
