Ms. Okonewski,

This letter is in response to your Freedom of Information Act (“FOIA”) request dated and received on May 5, 2026, for “please see attached request”.

**Your request for all communications with White Lake Township and The Levey Group of Companies, Levy, Burroughs Materials Corporation, Burroughs, or Reuben Maxbauer from January 1, 2024, through December 31, 2024, is denied because no records were found.**

Therefore, this letter serves as a certificate that your requested document does not exist under the name provided by you or another name reasonably known to the Township. Further, the Township is not required to create a document or a compilation, summary, or report of information to respond to a request. MCL 15.233(4). Since your request has been denied, you have the right to (1) submit to the head of the public body a written appeal that specifically states the word “appeal” and identifies the reason or reasons for the reversal of the disclosure denial or (2) seek judicial review of the denial, as stated in Section 10 of the Michigan Freedom of Information Act. MCL 15.240 (see attachment).

Further, you have the right to seek attorneys’ fees and damages as provided in Section 10 (see attachment) if, after judicial review, the court determines that the Township has not complied with this section and orders disclosure of all or a portion of a public record.

In the event you are not satisfied with this response, you have the right to submit a written appeal under MCL 15.240 (see attachment) to the Township, that specifically states the word “appeal” and identifies the reason or reasons for reversal of this response.

The Township’s FOIA Procedures and Guidelines and the written FOIA summary can be found at: <https://www.whitelaketwp.com/supervisor/page/freedom-information-act-foia>.
